**Description of Coverage:**

The General Liability Insurance Program provides commercial general liability insurance coverage for liability imposed by law, up to the policy limit. The liability must stem from an occurrence which results in Bodily injury to participants\*, or damage to their property. The Company will provide defense even if the allegations of the suit are groundless, false or fraudulent.

The coverage is broadened by the following extensions:

**Contractual liability** covers legal liability for Bodily Injury or Property Damage arising from certain written contracts relating to your usual operation. All contracts should be reviewed by the Ultimate Players Association prior to being signed.

**Participant Legal Liability** protects against suits brought by Participants in covered activities. Participants include participants, coaches, officials, managers, staff members, team workers, and game officials who have been granted proper authorization to enter any restricted area(s) both during practices for and while participating in any competition or exhibition sponsored and/or sanctioned by a Named Insured.

**Personal/Advertising Injury** covers legal obligations for injury to others from: a) false arrest, detention, imprisonment or malicious prosecution; b) libel, slander, defamation or violation of right of privacy; c) wrongful entry or eviction or other invasion of right of private occupation.

**Fire Legal Liability** provides Property Damage Liability Insurance of \$50,000 for losses arising out of fire to real property rented to or temporarily occupied by the Named Insured with the permission of the owner. This does not take the place of property insurance.

**Incidental Medical Malpractice Liability** covers the Insured's Legal Liability arising out of rendering or failing to render certain emergency medical services. Note: This coverage does not apply to licensed medical providers employed by you or working on your behalf.

**Worldwide Liability** extends the policy territory to anywhere in the world.

**Additional Persons Insured** broadens the Named Insured to include employees and volunteers of the Insured while acting within the scope of their duties.

**\*Participants** shall be defined as actual player/participants (those persons actually taking part in the competitive sport), coaches, staff members, referees, officials, medical and security personnel, employees covered by workman's compensation coverage and not subject to special credentials, media personnel, VIP's and all other credentialed personnel permitted to enter any restricted area during occupancy by player personnel

## **Policy Exclusions/Restrictions\*\***

1. Bodily Injury or Property Damage expected or intended from the standpoint of the Insured (deliberate acts to injure/damage)
2. Bodily Injury or Property Damage arising out of ownership, maintenance, use or entrustment to others of any auto. (Auto coverage should be provided by the owner's automobile policy. If the auto is rented, it would be necessary to purchase the additional insurance provided by the rental agency; to have previously put a rider on your personal auto policy; or to put the rental car on a type of credit card which automatically provides the user with the necessary insurance).
3. The policy does not apply to any event/activity, workout or organized practice except when scheduled under the direct physical supervision of a coach or staff member approved by the named Insured.
4. Property Damage to property in the care, custody or control of, owned by, rented or leased to an Insured.
5. Product Liability is excluded for sale of equipment manufactured by you or others to your design specifications.
6. WAIVERS are required to be signed by all participants. (RESTRICTIONS)
7. Pollution-related claims are excluded.
8. All asbestos related claims are excluded.
9. Liquor liability.
